Reschedule Guidelines

If you need to reschedule a game, please notify Synergy Sports Adventure at least 48 hours in advance to avoid any penalties. Rescheduling within 48 hours of the game will require your team to cover the full \$30 referee fee in cash before the game can be rescheduled.

Important: Email or voicemail is not considered proper notification. You must speak directly with an SSA team member for the reschedule to be confirmed.

Our referees are assigned well in advance based on the number of scheduled games. Last-minute cancellations or "no-shows" impact their schedules. Due to the increasing number of late cancellations, we have implemented this policy to ensure fairness.

Steps to Reschedule Your Game:

Notify your opponent about the postponement request. (Both teams must agree to the reschedule; otherwise, the game cannot be moved.)

Check the website for available dates and times. Ensure the new date works for both teams.

Contact Synergy Sports Adventure to confirm the new date and time. Once confirmed, the game will be updated on the schedule and website.

Please keep us informed throughout the process. Available time slots fill up quickly, so we encourage you to reschedule as early as possible. Keep in mind, field time is on a first-come, first-served basis, and we cannot guarantee availability during Winter 1 and Winter 2 League.

Thank you,
Synergy Sports Adventure
